provider, Dynata. Adults 18 years of age and older residing in Brazil, Canada, Chile, Colombia, the Dominican Republic, Guatemala, Hong Kong, the Philippines, South Africa, the UK, and the US were surveyed using an online research panel method across a combination of desktop, mobile and tablet devices. Survey questions were administered in English, Chinese (Hong Kong), French (Canada), Portuguese (Brazil) and Spanish (Chile, Colombia, the Dominican Republic, and Guatemala). To increase representativeness across resident demographics, the survey included quotas to balance responses to the census statistics dimensions of age, gender, household income and region. Generations are defined in this research as follows: Gen Z, 18-26 years old; Millennials, 27-42 years old; Gen X, 43-58 years old; and Baby Boomers, age 59 and above. Please note some chart
