How You Measure Up

Your credit score predicts your ability to repay loans. It is based on your credit history.

99.0%

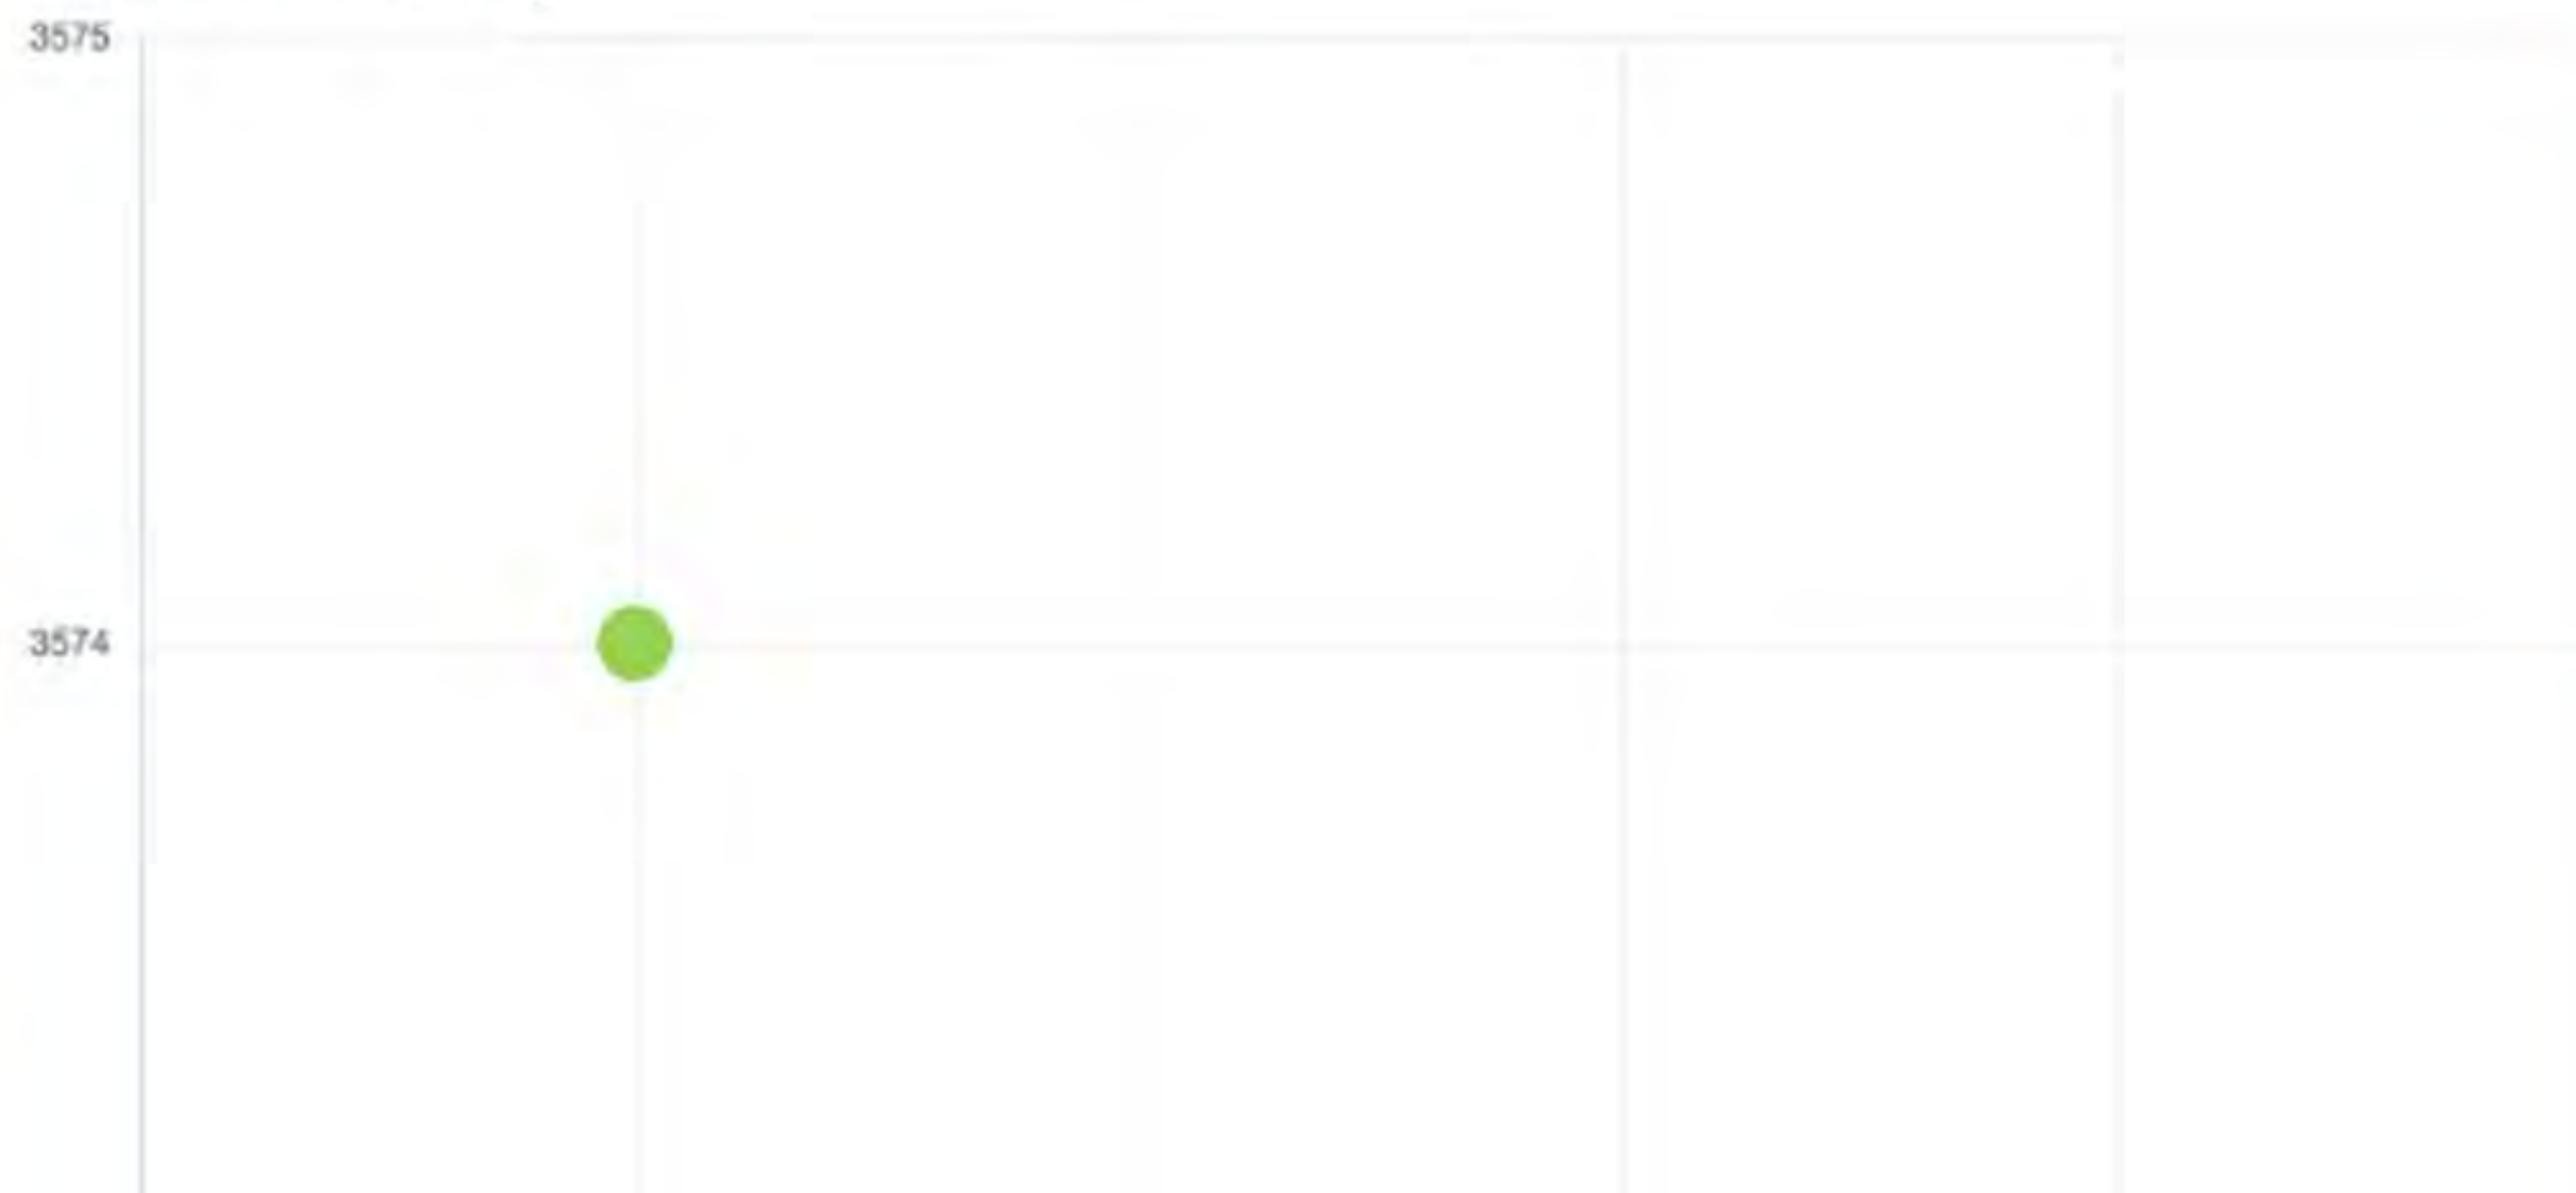

Your score predicts you are **99%** likely to make your loan payments for the next 12 months.

55.0%

Your score is higher than **55%** of other consumers' scores in Hong Kong.

Score Trending

Your Credit Score

If you haven't refreshed your score, go back to "Your Dashboard" and get your latest score.

The percentage shows how likely you'll repay your debt in the near future.

Learn about your score trending in the past 12 months.
